

Dear Brothers and Sisters in Christ,

GIVE OUR CHILDREN NEW HOPE: At Hope Secondary school- Beit Jala, We are looking with great expectations to cultivate our faithful efforts in making fundamental developments aiming at boosting the school sustainability, improve its performance and enhance its capacity. We are seeking to provide high-quality education for poor and deprived children in the Holy Land.

Hope School is a unique initiative; we are a Christian school helping the poorest children in our part of the World. Most of our children come from very poor families, and cannot afford school fees or supplies. Unlike many schools in the Holy Land, Hope School never turns away a needy child on financial grounds. In addition to the schooling services provided in daytime, Hope School provides a dormitory and home-like place for 20 orphans and those who have no stable family environment. The cost of this policy is very, great given that the school receives no government or any other authority grants while very little is paid to us in school fees. Hope School relies to a great extent on gifts and donations from faithful friends and organizations around the world. UMC # Giving Tuesday is a great opportunity to help us extend our help to the marginalized children in our care.

As we approach the holiday giving season, **UMC #GivingTuesday** (December 1st) is a moment to celebrate the spirit of cheerful Christian giving by making an online donation to **Hope School advance # 12018A** through The Advance. When you make an online donation on December 1st. you will unite with others to give back!

UMC #GivingTuesday is part of an international movement to extend the spirit of giving thanks into the Advent season. It offers an opportunity to start off the holiday season with giving instead of getting by supporting organizations like **Hope School advance # 12018A** that are "activating love, transforming lives, and changing the world."As you know, 100 percent of all gifts made through The Advance directly support our work. Every gift made online through The Advance at www.umcmmission.org/give on Dec. 1, 2015 will be matched up to \$1 million.*

Global Ministries will allocate matching funds dollar for dollar up to the first \$1 million in gifts to Advance projects received online on Dec. 1, 2015, between 12:00 a.m. and 11:59 p.m. CT. A maximum of \$2,500 per individual gift to a project will be dispersed as matching funds. A project may receive a maximum of \$25,000 in matching funds.

Thank you so much for your faithful support. We hope you and your friends will join us by making a generous online gift online on December 1st. **MARK YOUR CALANDERS! ... "Whoever is generous to the poor lends to the Lord, and he will repay him for his deed."**
